Dear Brigitte Ingold

Firstly thank you very much for your noble thought on sponsoring Pema Nangsel, the youngest monk of our monastery. We are also very much thankful to tibetfreunde association for finding us sponsors. We are very much pleased to have you as one of the godparents. Pema Nangsel joined Taksham Monastery in the year 2015 when he was just three years old. It was due to the poor condition of his family that he was brought by his uncle who is also a monk in our monastery.

I on behalf of Taksham Monastery would like to thank heartily for your thoughtful contribution that will help the monastery and the monks. I have attached few pictures of Nangsel along with his letter and a drawing. Please contact us on email below for any further details.

Sincerely
Dawa Dhundup
